Transport & Logistics, Safety & Security

Objectives of the service

www.ovinto.com

Evolution

2014:

- Approx. 400.000 Turnover
- Loss making
- 4-5 FTE

2024:

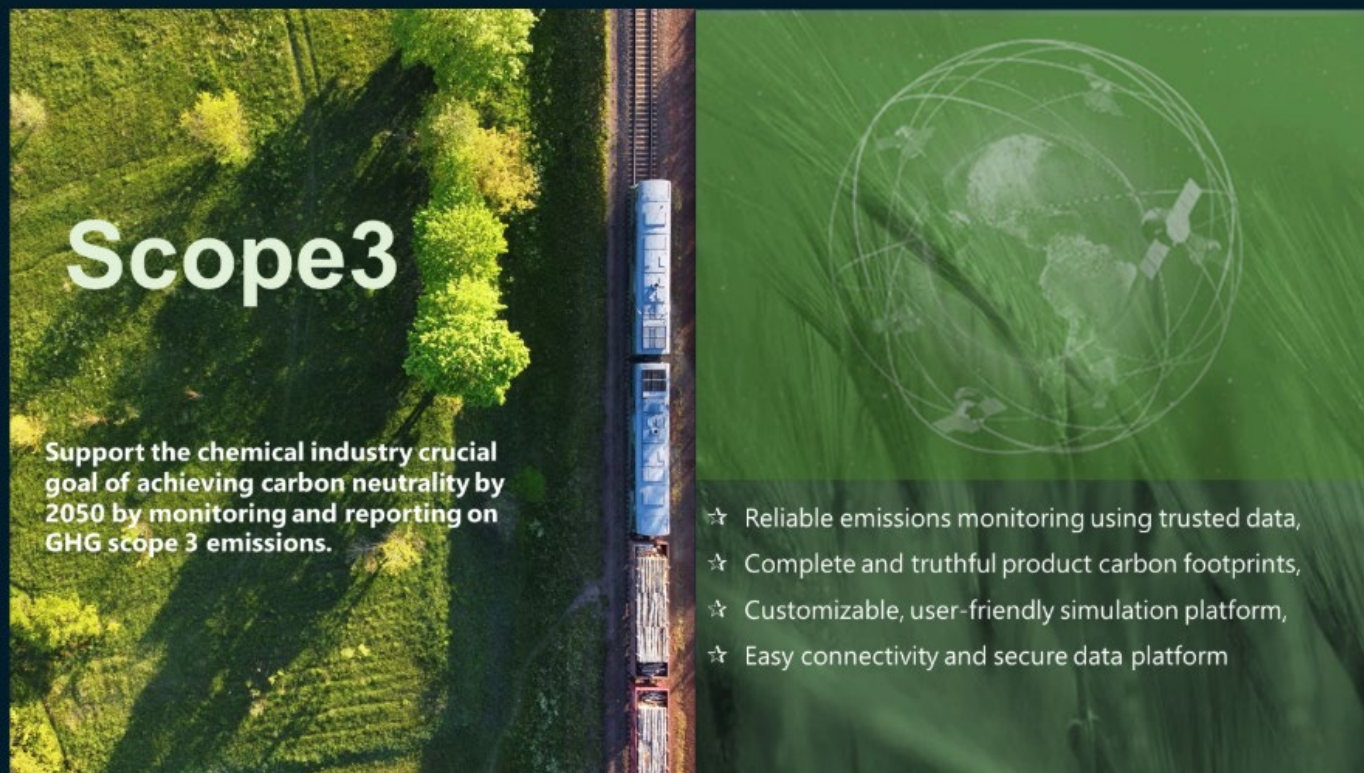

- Approx. 4.000.000 Turnover
- Profitable
- 15 FTE

Scope3

ACTIVITY	Demonstration Project
STATUS	Ongoing
THEMATIC AREA	Transport & Logistics

Objectives of the service

Scope3

Support the chemical industry crucial goal of achieving carbon neutrality by 2050 by monitoring and reporting on GHG scope 3 emissions.

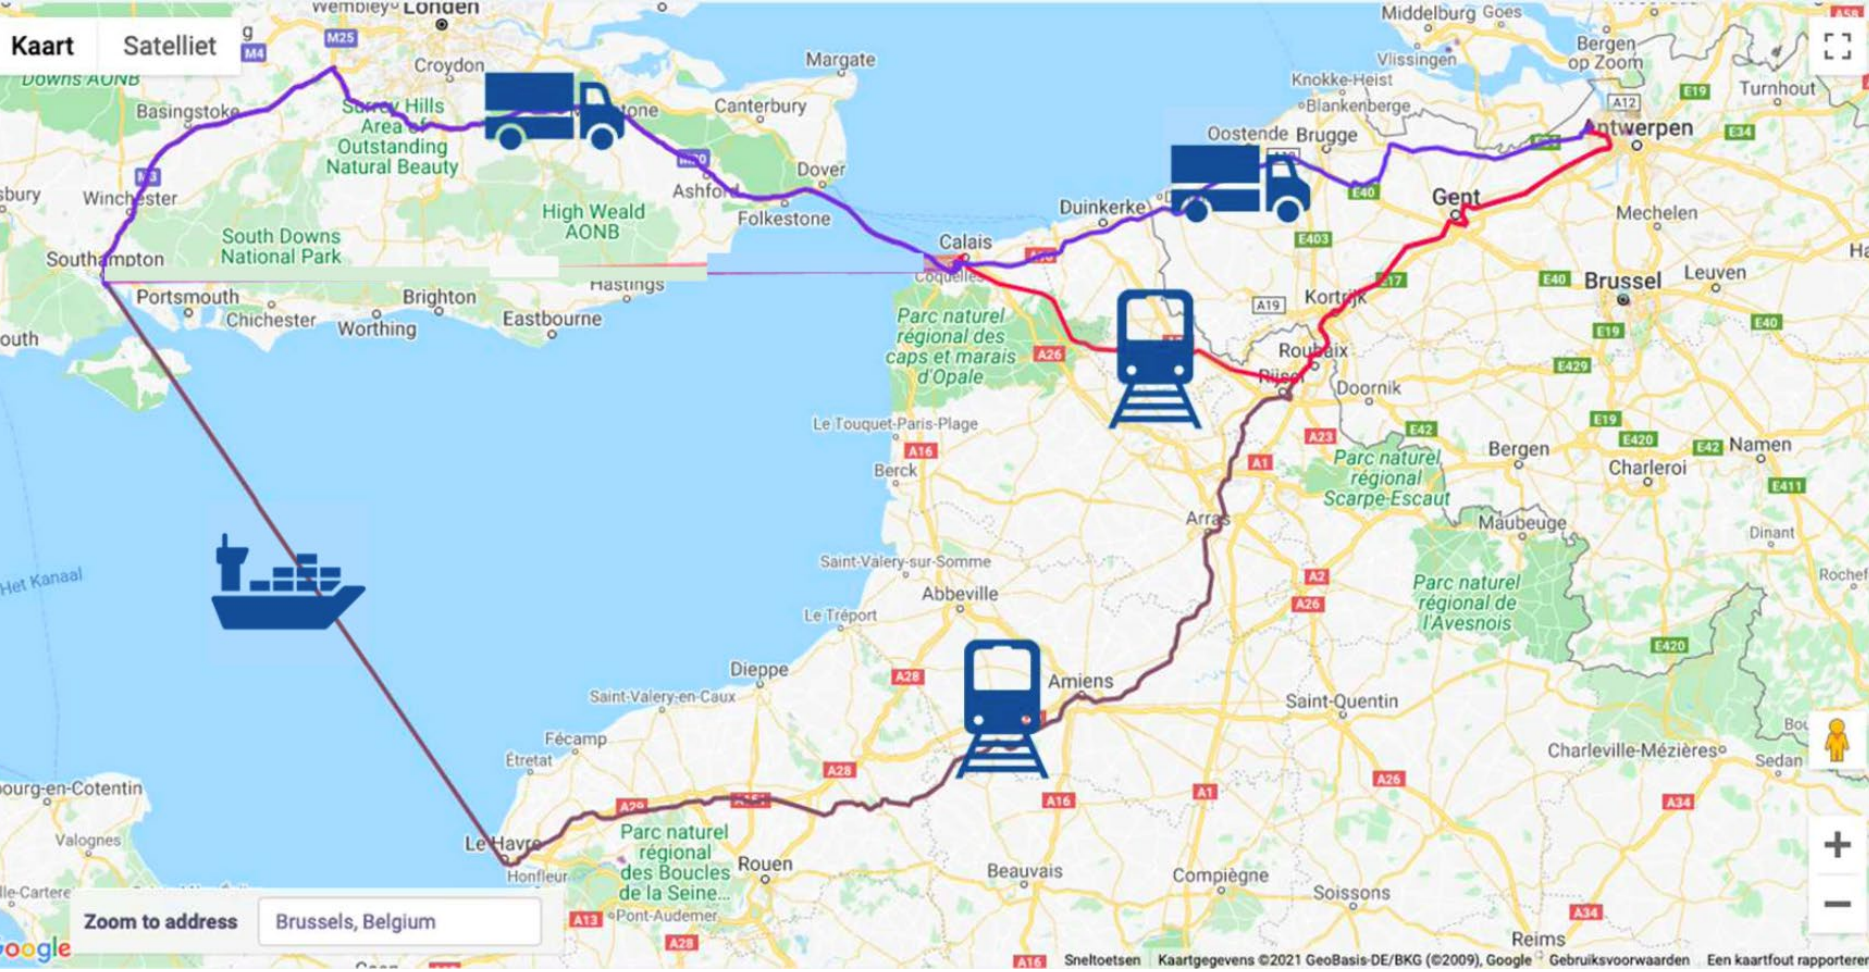

- ☆ Reliable emissions monitoring using trusted data,
- ☆ Complete and truthful product carbon footprints,
- ☆ Customizable, user-friendly simulation platform,
- ☆ Easy connectivity and secure data platform

Scope 3 Project

**Real consumption
per trajectory**

Smart emissions monitor
