Company Pitches

BatteryCycle

BatteryCycle

Olan O'Sullivan

CEO & Co-founder,  
BatteryCycle

## **BatteryCycle**

**BatteryCycle smooths the transition to electric vehicles for utilities, fleets and car retailers.**

Olan O'Sullivan, Founder & CEO  
olan@battery-cycle.io

**By 2030, 245 million EVs will be on the road globally, including 36-50 million in fleets.**

Operational

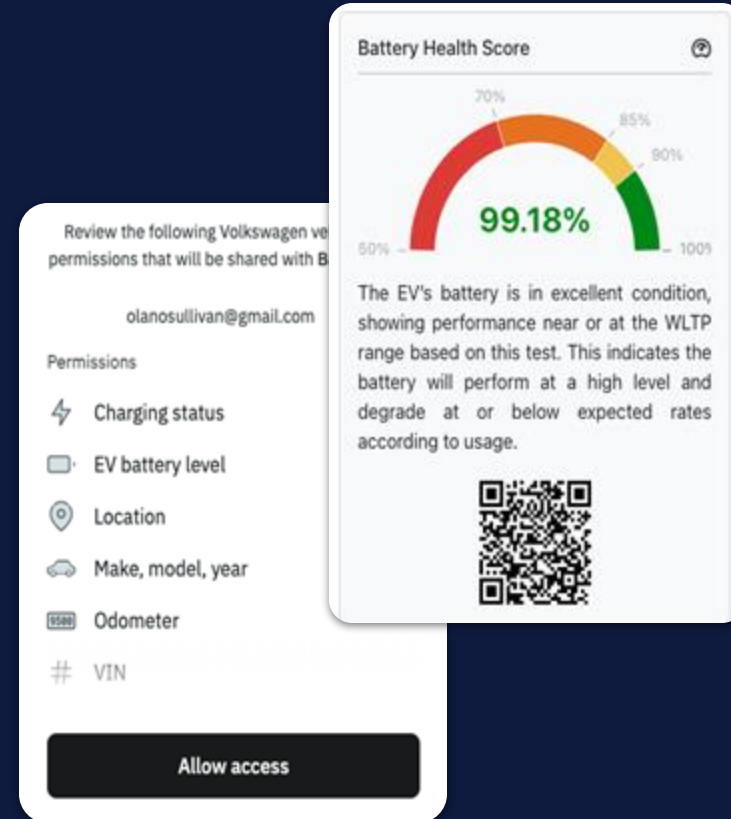

Financial

Infrastructure

 **BatteryCycle**

# Solution: Convergence of Automotive & Energy

BatteryCycle lowers energy costs and extends the battery life of EVs, maximising the value of every vehicle.

# Driving Sustainable Mobility
