Space for Civil Protection
René Kerschbaumer

Facts and Figures

Lower Austria:

- 1.600 000 inhabitants
- 19.177 km²

Notruf Niederösterreich:

- ~4000 dispatched events / day
- 130 employees
- 1.680 000 telephone calls (2010)

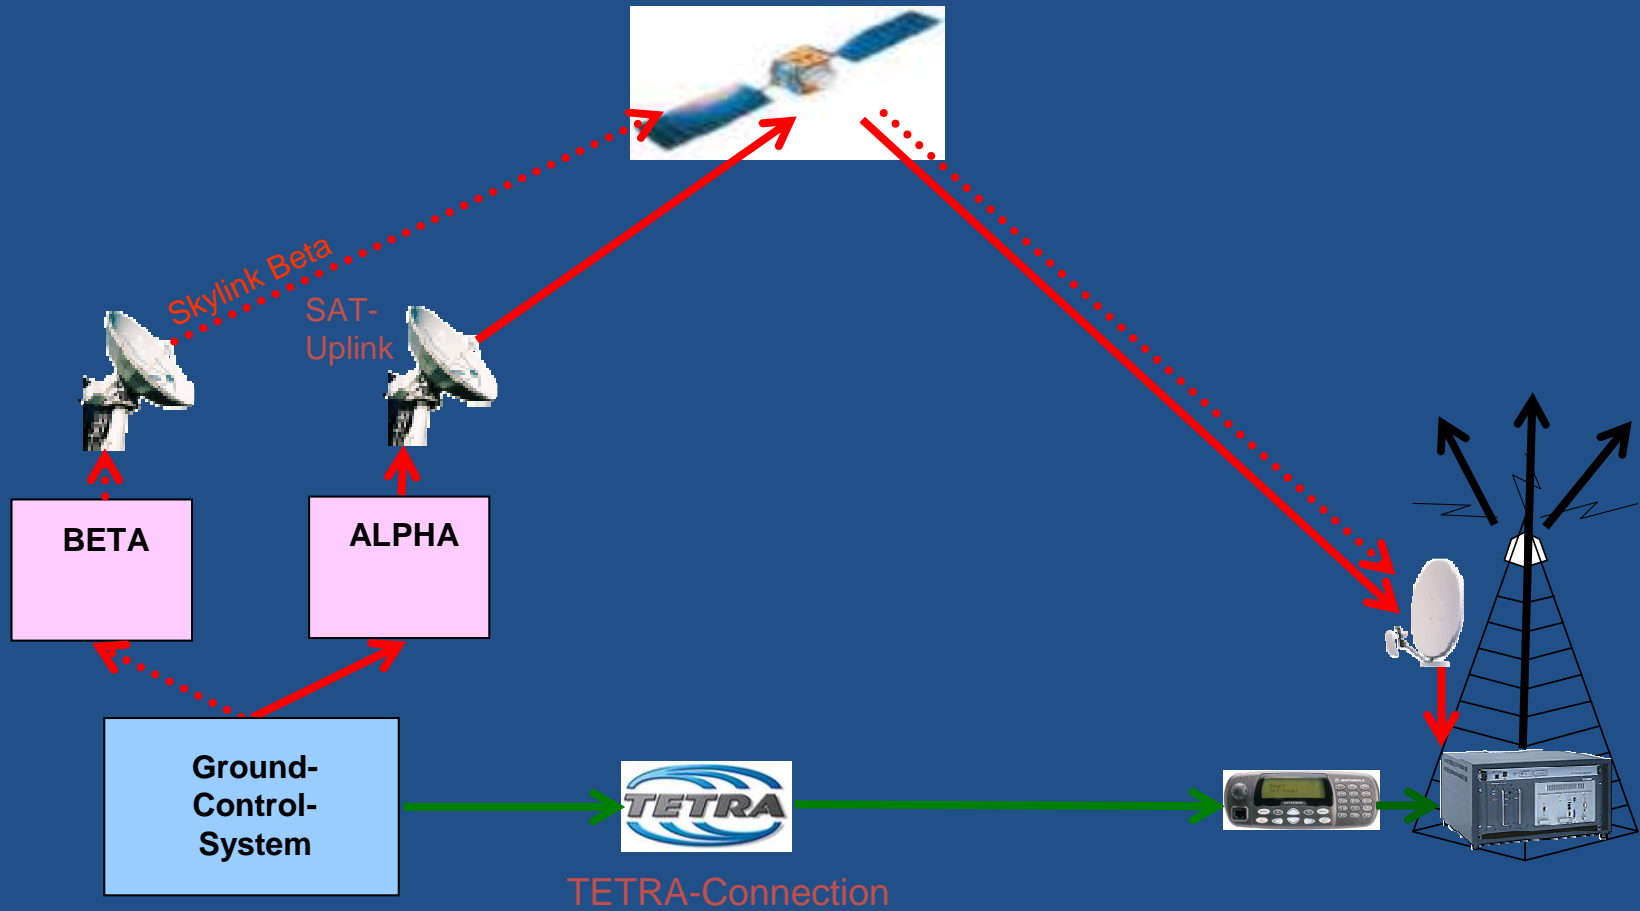

Why Satellite Paging?

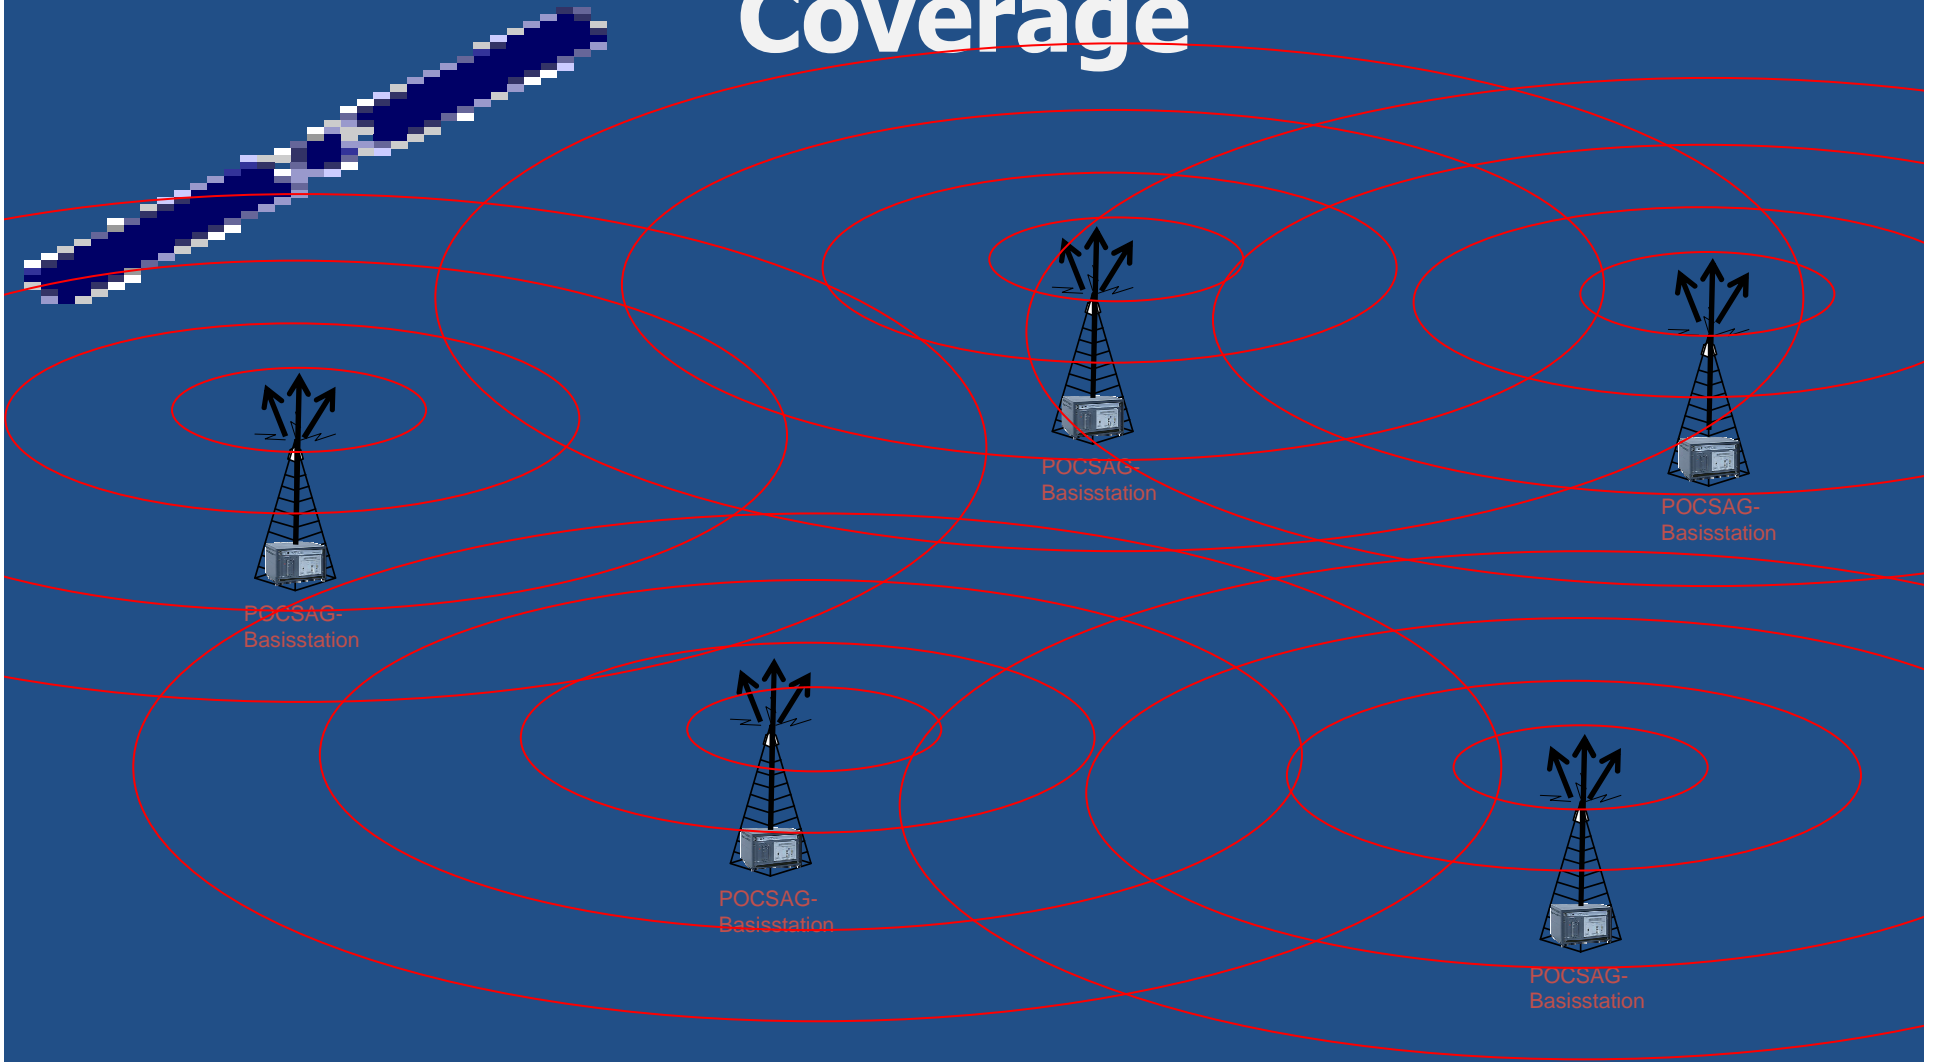

- fastest way to spread POCSAG messages reliably over large areas
- area-wide reachability (Eurobird footprint)
- redundancy vs. hard-wired communication networks

Network Design

Coverage

Statistic

- ~4900 messages delivered / 24h

- enough capacity reserves
